First American Payment Systems Jumps Four Spots in Nilson Ranking

Share Article

After processing more than \$23 billion in transaction volume in 2017, First American ranks among 2018's Top 20 largest merchant acquirers in the U.S.

FORT WORTH, TEXAS (PRWEB) APRIL 03, 2018

In its 2018 annual ranking of the largest merchant acquirers in the U.S., The Nilson Report ranked **First American Payment Systems** among its Top 20. The report reflects a four-spot jump, moving from #21 to #17.

In 2017, First American Payment Systems processed more than \$23 billion in transaction volume, representing over 220,000 merchants and 276 million transactions.

At a time when many within the payments ecosystem are re-evaluating strategy in light of industry trends, the privately held payment processor has focused on its strength as a technology partner, investing heavily in its support of Independent Software Vendors.

That direction includes the development of numerous integrated payment services, rapidly adopted by emerging software developers who seek to level the playing field with their more established counterparts.

"We have a hard-earned reputation for delivering customized technology solutions, and for reminding our customers through every

"The origin of these solutions came not from conference room conversations, but from direct dialogue with our customers," said Neil Randel, CEO, First American Payment Systems. "They are the chief reason we are in such excellent

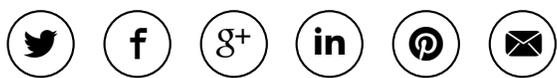

interaction why we're worthy of their business," said Neil Randel, CEO, First American Payment Systems. "The origin of these solutions came not from conference room conversations, but from direct dialogue with our customers. They are the chief reason we are in such excellent company on The Nilson Report list."

company on The Nilson Report list."
